# About the Fairy & Pixie Parties

**We all know what it's like to be the host at your own child's party...**

- up late the night before making kids food and getting everything ready!
- no time to fully appreciate the enjoyment on your child's face during the party!
- not enough time to take lots of magical photos of the party activities!
- no time to relax and chat with the other parents during the party!

\* I aim to bring my enchanted fairy and pixie magic to your party and channel the children's energy into dressing up, magical stories, treasure hunts and other fun activities that have been designed to captivate their innocence, creativeness and imagination.

**It's all about making your child's day extra specially magical and allowing you to sit back, relax and watch the children having a wonderful time!**

I can come to your home or help you find a suitable venue (local kindy, hall, etc) for your party.

**The parties are most suited to girls aged 3-7. Maximum number of children is 20.**

*It's fine to have boys at the party but they might think a few of the stories and games are a bit fairyish. Of course they'll still have a fantastic time!*

## About Fairy Daisy

I live in a REAL enchanted garden at Ivy Cottage in Greenhithe.

I live amongst the jasmine and honeysuckle flowers at Ivy Cottage. My most precious belonging is a very small bottle of magical fairy dust. I sprinkle this special fairy dust to shrink me down to fairy size! When I'm ready to be a human-size fairy again I sprinkle some more fairy dust and I grow big again.

I keep my fairy-sized clothes in a tiny little suitcase which I take to parties with me to show the children. I love to visit children with happy smiling faces!

I wear a pretty pink marshmallow-coloured fairy dress and I love to eat anything pink! My favourite drink is dandelion and pineapple juice. Yum!

*In the real world I'm the "Head Fairy" at Ivy Cottage and the Enchanted Garden party venue in Greenhithe where I have been organising and hosting childrens' parties and events since 2004, while also gathering together a wonderful team of other human-sized fairies. Before that I was a Playcentre mum for many years, where I learnt the valuable and important lessons of child development, play and learning, parenting skills, storytelling and so much more. Being around children, dressing up and being a REAL fairy is my creative outlet!*

# What happens during a 2 hour party:

## All you need to provide is:

1. The children!
2. The tea party table & chairs
3. The party room decorations
4. The birthday cake - *or we can organise this for you*
5. The adults' food and drinks
6. Your camera or video camera

There's hardly any party preparation for you to worry about!

**JUST INVITE THE GUESTS THEN SIT BACK AND RELAX!**

**SUITABLE FOR AGES 3 AND UP.**

Please make sure all children 3 years old & under are being looked after by a caregiver during the party.

## WHAT YOU NEED TO DO BEFORE THE PARTY:

1. Please make sure that I'm able to set up without excited little children following me around.
2. Make sure the kids tea party table & chairs are set up so I can decorate the table.
3. Have a large open area ready for the party activities (the children will be sitting in a circle for some of the activities so please move coffee tables & other furniture).
4. Have a separate adult area if possible.
5. I can provide the fairy background music - please make sure there's a power point nearby.

## Daisy's Party Set up

**\* Please make sure there is parking as close as possible to your front door so I can unload & reload my car.**

If we are supplying the kids tea party feast and/or table decorations I will arrive at your house or chosen party venue approx 1/2 hour early (in my fabulous fairy dress) to decorate the kids tea party table before your guests arrive - I'll bring the table centrepiece, plates, serviettes, goblets & tea cups. I'll also set up my props & provide everything needed for each party activity.

I'll need to ask you questions about using the oven if I'm preparing the kids food, where the bathroom is.

## Guest Arrival

As your guests arrive & you greet them please make sure that all the birthday presents are put in one spot for us to open together later in the party.

While we're waiting for all the guests to arrive the children can choose fairy costumes to wear from "Fairy Daisy's magical dress-up box". I'll add fairy glitter and fairy face jewels to make everyone look extra specially fairyish! I also have pirate & pixie bits & pieces if there are boys coming.

## Party Time

I always allow 15 minutes for everyone to arrive & then I'll gather the children together in the area you have allocated for our activities.

I'll welcome the guests by introducing myself & the special birthday child. I'll entertain & look after the children during the entire party - they'll be kept busy the whole time. The adults can relax while the children enjoy the party activities.

**\* Please make sure that you & your adult guests are not too noisy or having conversations in the same room - the most important thing for the children's enjoyment is that they can hear me. If there are adults having a catch-up in would be best to do this in a separate room.**

Then we'll go on a magical treasure hunt, and also make a fairy ring to attract the fairies & pixies (this can be inside or outside depending on the weather) and also have some other fun games. Don't worry, I can EASILY cater for wet weather parties!

After these games is a good time to have a little photo session together. We can do some poses and make funny fairy & pixie faces. **Make sure you ask for this and have your camera handy.**

Next it's time to sit in a fairy & pixie circle and watch the birthday child open the birthday presents. **This is the only part of the party when I'll need you or another adult to supervise the children for 20 minutes** while I'm preparing the hot food & finishing the tea party preparations.

**\* If you have chosen Package 2 and are providing your own kids food then this is the time to allow 20 mins only to reheat the hot food and finish your tea party preparations. I'll look after the kids if you are preparing the food.**

Now it's time for our Enchanted Tea Party Feast. If you have Package 1, the children sit at the tea party table and drink out of magical little tea cups & gorgeous goblets while I serve our delicious feast (allow approx 20 minutes for this).

Craft activity time! We'll create our very own magical wands to take home!

**\* If there are very small children they may need some help from an adult or older sibling.**

Then it's time for birthday cake! We'll sit at the table and sing Happy Birthday and eat some cake. I can provide an amazing birthday cake from "Cakes By Jan" & bring it with me (or you can provide your own).

## Farewell

A very special "Wishing Stone Ceremony" will then draw my visit to an end - we'll all shut our eyes and whisper some lovely wishes into special little wishing stones. Each child can take their magical wishing stone home in a little organza bag. I'll also add a sprinkling of wishing dust plus a balloon and a lollipop to the little organza bag.

**\* The organza bags above are small party bags which the children can take home. They also take home the magical biscuits they made during the party. You can add extra party bags if you wish but from experience the children are quite happy with these items. It's entirely up to you.**

I'll let the guests know it's time for me to fly home and I'll say Farewell.

I'll start packing my fairy & pixie equipment.

**I may need to use the kitchen for 1/2 hour to wash my tea party dishes.**

**Please remember payment by cash or cheque (to Ivy Cottage) before I leave :-)**
